Empowering youth  
climate change makers  
around the world

To bridge the gap between climate negotiations  
(a.k.a. the COPs) and youth.

## BECOME A COP'LEADER

- ▶ You are young and willing to do something to fight against climate change?
- ▶ You want to promote change in your community/city?
- ▶ You are willing to acquire professional knowledge and skills?

## OUR OBJECTIVES

- ▶ To empower youth through training and concrete local climate actions
- ▶ To deepen the interconnections existing between international climate negotiations and local climate action
- ▶ To create a strong international and intercultural community of young change-makers committed to the fight against climate change

## OUR RESULTS IN 2015

- 120+ simulations and mobilisations
- 8,000+ people reached worldwide
- 28 countries in the community
- 8 local long-term projects subsidized
